|------------------------------------|
| General Statement of Duties |
|------------------------------------|

Provides law enforcement, security, aircraft rescue firefighting, emergency medical services, and airport operations.

| |
|---|
| Distinguishing Features of the Class |
|---|

Works under general supervision and exercises considerable judgment in emergency situations. This classification is distinguished from an Airport Public Safety Officer I by a requirement for an Iowa Emergency Medical Technician, and by the associated medical procedures that may be performed only by an Iowa Emergency Medical Technician.

| |
|---|
